

THANK A SERVICE MEMBER

Yorktown Victory Day

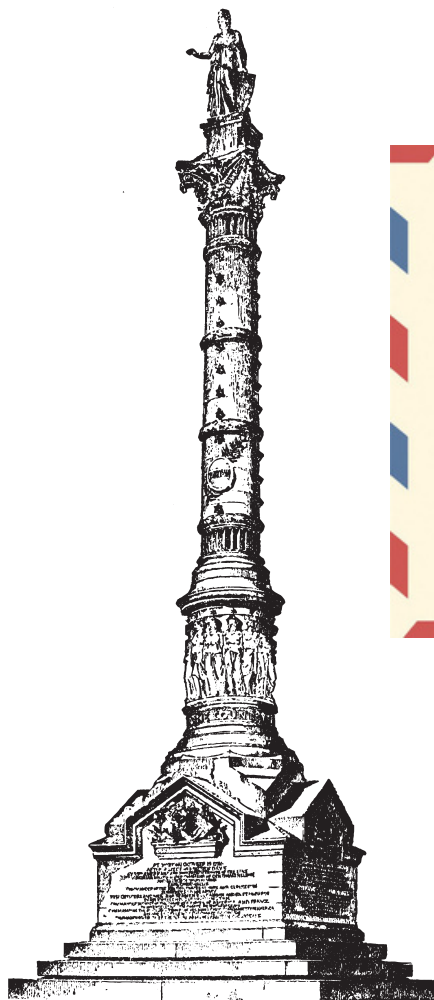

On **Yorktown Victory Day**, we remember the 1781 Revolutionary War victory that helped create the United States of America. We also thank the men and women who serve in the military to defend the nation today.

Your Project:

Draw a Picture - Create artwork to show your thanks (a flag, a heart, a soldier, or a symbol of peace).

Write a Letter - Write a short note to a service member, thanking them for their service and sharing what their courage means to you.

Your pictures and letters can be shared with local veterans' groups or sent to active-duty service members to show our gratitude.

Send them to:
